Policies

Early Dismissal Days– We provide pick up and extra care on early dismissal days free of charge. We will have themed martial arts training, games, movies, or other activities available for your child. Please make sure that your child has extra drinks and snacks on these days.

Inclement Weather– If schools are closed due to inclement weather, Chung’s Martial Arts will not have the After School Program. However, we may still be open for classes and other activities. Please check our Facebook page or call to determine the status of our classes.

Sign In/ Sign Out Policy– To ensure the safety of our students, your child must be signed out by an authorized person. Students may ONLY be picked up by a person on our list. If a friend or family member will be picking up your child, we must receive prior notification. Please ensure that the person picking up your child brings a valid form of photo identification.

Age Requirements– All students must be at least 5 years old to attend the After School Program. However, we do offer evening Little Dragons classes for children as young as 3.

Quiet Time– We will provide quiet time every day, where children are encouraged to work on homework, study, or read. Please be sure that your child has the appropriate school supplies to help him or her work on homework or studying. Please feel free to send along any reading material, workbooks, or learning games from home that your child may work on during this time.

Snack– Students are responsible for their own snacks and drinks. Please ensure that your child is provided with adequate snacks and drinks for each day.

Behavioral Issues– Our Program operates in a group setting, in which safety is our biggest priority. Therefore, it is expected that all children conduct themselves in a way that is respectful, courteous, and safe to the other students and staff members. If at any time a child’s behavior threatens the safety or well being of other students or staff members, we reserve the right to discontinue that child’s enrollment immediately.

Belt Testing– Belt testing is a regular component of martial arts training. This is your child’s opportunity to demonstrate the skills he/ she has learned and move on to a more challenging level of training. Depending on his/ her progress, your child will have the opportunity to test several times throughout the year. In order to administer your child’s test, a service fee will be requested prior to the testing date, which will cover a physical test, breaking materials, belt, and certificate. An instructor will inform you when your child is ready to test and move on to the next level of training.

Pick Up Time– Pick up time is 6:00 P.M. If you will be late, please notify our staff as soon as possible so that we may ensure the safety of your child. **An extra care late fee of \$5.00 per 5 minutes past 6:00 will be charged** (unless your child is attending a 6:00 class.)

I have thoroughly read and understand the policies set forth by Chung’s Martial Arts. I agree to comply to the requirements set above.
